New Little Things in Lace
Designed and Described by Sara Hadley

Lady Frances Collar
This suit of female point lace is one of the latest fancies for every spring. To be worn over a cambric stock.

Princess Lace Shawl
The lace scarf illustrated may be reproduced in white, cream or dove. It may be worn closely around the neck or pinned at the throat, with ends hanging below the belt.

Pen Bag of Satin and Lace
Lace of linen, white or black, or suitable to the dress to be used. It may be used to reproduce this pretty bag.

Stylish Head-dress
The point lace head-dress illustrated is fitted by the and a half inch lace band. It may be worn in the form of a crown by attaching the laces to brooches, hats, or edging scarves.

Bouquet Pin Candelabra
This consists of a kind of prongs with a basket at the top. The basket is set on top of a flowered base.

Protection Collars in Point Lace
Point lace is used for these collars. The upper part is made with white lace and a white thread. The lower part is of white thread only. The lace may be made attractive and useful. Pastel colors alone may be used of various kinds and pleasure its appearance.

Handkerchief in Modern Point
The point lace handkerchief is outlined in point lace and made up in point lace. Each handkerchief has a different design.

Lace Flower for the Hair
This flower of the point lace is refilled with wire to hold the style of hair. It may be made in cream, white and gold.

Shirt-Neck Collars of Linen and Lace
These are special for collars, one made of ornamental materials that will never fray or tear. The upper part is made of fine white linen and cambric collar, the lower part of silk linen with white lace band, and the lower one of silk linen with white edge silk.
