THE RE-CREATION OF BRIAN KENT

Illustrations in Colors by J. Allen St. John

The RE-CREATION OF BRIAN KENT, sweet and appealing in its pacing and vibrant with the local color of the mystic, enchanted Osarka—The Shepherd of the Hills Country—marks the author's greatest advance in story telling charm. Brian Kent, Auntie Sue, Judy and Betty Jo are wonderful creations. There are thrilling incidents related with such vivid realism that one reads with breathless ending. And yet the fascinating power of the story is rather in the clean-cut analysis of life and character, and in the skillful visualisation of the clash and conflicts of life's invisible forces out of which the thrilling incidents come.
