RAW MATERIALS.	Page.		Page.
WOOL.	23		
Characteristics of Wool.		Treatment Required for Different Wools.....	36
Quality of Wool Fibre.....	24	Strength of Scouring Liquor.....	36
Clothing Wools.....	24	Drying	37
Combing Wools.....	24	Artificial Wools.....	37
Carpet Wools.....	25	Shoddy	37
Strength of Wool Staple.....	25	Mungo	37
Elasticity of Wool Staple.....	25	Extract Wool.....	38
Length of Wool Staple.....	25	Testing Artificial Wool for Cotton Present.....	38
Trueness of the Wool Fibre.....	25	Testing Presence of Shoddy in Wool.....	38
Cleanliness of Wool.....	25	Carbonizing.	
Kemp in Wool Fibre.....	26	Sulphuric Acid Process.....	38
Lustre of Wool.....	26	Dry or Gas Carbonizing.....	38
Natural Color of Wool.....	26	Chloride of Aluminum Process.....	38
Moisture in Wool.....	26	Carbonizing Waste or Rags.....	38
Various Classes of Sheep and Wool.		Construction of Sheep Shears.	
Lincoln Sheep.....	26	Attachment to Regulate Size of Cut.....	38
Leicester Sheep.....	26	Detachable Hand Shear.....	39
Cotswold Sheep.....	26	Driving the Cutters in Machine Shears.....	39
Oxford-Down Sheep.....	27	COTTON.	
Merino Sheep.....	27	Characteristics of Cotton.	
South-Down Sheep.....	28	Length of Staple.....	40
Imported Wools.....	28	Color	40
Hog's Wool.....	28	Microscopical Examination.....	40
Burry Wools.....	28	Half Ripe Fibres.....	40
Wool from Slaughtered Sheep.....	28	Ripe Cotton Fibres.....	40
Wool from Diseased Sheep.....	29	Diameter of Cotton Fibre.....	41
Grading and Sorting Wool.		Spinning Property.....	41
Process of Wool Sorting.....	29	Impurities and Moisture.....	41
Clips or Rejections.....	30	Mercerized Cotton.....	41
Grading Clothing Wools.....	30	Varieties of Cotton of Importance to Us.	
Grading Combing Wools.....	30	Cotton Belt of the United States.....	41
Wool Sorter's Disease.....	31	Sea Island Cotton.....	41
Theory of Felting in the Wool Fibre.....	31	American or Mainland Cotton.....	41
Chemical Composition of Wool.....	32	Cotton Growing Countries of the World.....	42
Other Animal Fibres.		Egyptian Cotton.....	42
Cashmere Goat.....	32	Cotton Crops of the United States.....	42
Mohair	33	Peruvian Cotton.....	42
Alpaca Wool.....	33	Grading of Cotton.	
Llama Wool.....	33	Mainland Cottons.....	43
Vicugna Wool.....	33	Sea Island Cottons.....	43
Guanaco Wool.....	33	Egyptian Cottons.....	43
Camel Hair.....	33	Prices of Middling Upland Cotton.....	43
Goat Hair.....	33	Distinguishing Cotton from other Fibres.	
Cow and Calf Hair.....	33	Presence of Cotton with Wool or Silk.....	43
Horse Hair.....	34	To Ascertain the Percentage of Cotton.....	43
Wool Scouring.		To Separate Wool from Cotton.....	44
Process of Wool Scouring.....	34	To Separate Silk, Cotton and Wool.....	44
Sodium Carbonate.....	35	To Separate Silk, Tussah, Wool and Cotton....	44
Potassium Carbonate.....	35	To Determine Presence of Cotton and Flax....	44
Ammonium Carbonate.....	35	SILK.	
Wyandotte Textile Soda.....	35	Cultivated Silk.....	44
Ammonia	36	Annual Supply of Raw Silk.....	45
Sal Ammoniac.....	36	Silk Raising.....	45
Soap	36	Chemical Composition.....	46

	Page.		Page.
