

Handleiding voor Vrommwelijke HandWerkenddoor de Redaction Vol 11 (Instructions for Women's Handwork); from the publication "La Gracieuse"; in Dutch; no date; Pub. A. W. Sijhoff, Leiden.

The first of a pair of two little books on beginning bobbin lacemaking, both published by the editors of "La Gracieuse", a Dutch periodical of the early part of the 20th century. This one starts the beginner making a pillow, winding the bobbins, and on to a number of simple designs. Prickings are included in the text and an insert with some of the patterns is folded up and attached inside the back cover.
