OCTOBER 1902
Messrs Methuen's Announcements

This new edition of the works of Charles and Mary Lamb, in five volumes (to be followed by two volumes containing the Letters), will be found to contain a large quantity of new matter both in prose and verse—several thousand words in all. Mr. E. V. Lucas, the editor, has attempted in the notes, not only to relate Lamb’s writings to his life, but to account for all his quotations and allusions—an ideal of thoroughness far superior to any that previous editors have set before themselves. A Life of Lamb by Mr. Lucas will follow next year.

This edition is brought up to the standard of modern scholarship by the addition of numerous new letters of Cromwell, and by the correction of many errors which recent research has discovered.

The only edition of this book completely annotated.

Dr. Gibson's work is worthy of a high degree of appreciation. To the busy worker and the intelligent student the commentary will be a real boon; and it will, if we are not mistaken, be much in demand. The tender reverence of the treatment and the imaginative beauty of the writing have reconciled us to the daring of the conception. This “Dream of the World’s Tragedy” is a lofty and not inadequate parable of the supreme climax of the inspired narrative.”—Dublin Review.

“A very powerful piece of work. . . . The conception is magnificent and is likely to win an abiding place within the memory of man. . . . The author has immense command of language and a limitless audacity. . . . This interesting and remarkable romance will live long after much of the ephemeral literature of the day is forgotten. . . . A literary phenomenon . . . novel, and even sublime.”—W. T. Stead in the Review of Reviews.

THE MASTER CHRISTIAN.

[The Sixth Thousand.

“It cannot be denied that ‘The Master Christian’ is a powerful book; that it is one likely to raise uncomfortable questions in all the most self-satisfied readers, and that it strikes at the root of the failure of the Churches—the decay of faith—in a manner which shows the inevitable disaster heaping up . . . The good Cardinal Ronpré is a beautiful figure, fit to stand beside the good Bishop in ‘Les Misérables.’ It is a book with a serious purpose expressed with absolute unconventionality and passion . . .

And this is to say it is a book worth reading.”—Examiner.
