TATTING.

EDGINGS AND INSERTIONS.

DESIGNED FROM GREEK AND ROMAN LACE.

This fashionable Art has been but little used for the purpose to which it is now applied, so, by the previous method, it wanted firmness and strength, but by a careful study of the work, and a new method of joining, this difficulty is obviated, and these patterns will be found as durable and neat as those in Crochet or Knitting.

Ladies wholly unacquainted with the mode of working are referred to the "Tatting Book," where every instruction is given, but to those who have a knowledge of the simple stitch, the following rules will be a sufficient guide for the patterns given. The Materials requisite are—a small Shuttle, and Thread or Silk of different sizes; also a Ring and Pin, of which there are 3 numbers—No. 1 for fine work, No. 2 for medium, and No. 3 for coarse.

The narrow Edgings are particularly suited for Baby's Dresses, Pinafores, and under-clothing, and as these are usually preferred in soft cotton, the numbers of L & W. Taylor's Embroidery Cotton are given. For Edgings of Old Point Lace, Acklenburgh Linen Thread will correspond best with ancient thread. For Trimmings to Antinomassars, D'Oyleys, Petticoats, Mornig Dresses, Children's Drawers, Handkerchiefs, and other articles of general wear, the Crochet Thread is the most useful.

Dress and Mantle Trimmings are made with black or colored Maltese Silk, which can be obtained in different sizes.
RULES.

A Double Stitch is formed by working a single stitch and a reverse stitch alternately:—it is the usual stitch in which all Tatting is worked.

A Pearl Loop.—After the number of double stitches are worked as directed, the thread which forms the loop round the hand is passed over the pin, and the double stitches continued. A mesh may be used for the loops, but the ring and pin, invented for the purpose, facilitates the work. The ring is worn on the thumb of the left hand, and the pin held between the finger and thumb.

THE NEW METHOD OF JOINING.

After the stitches are worked as directed, place the pin in the loop to be joined, and, with the point of it, bring the thread which forms the loop round the hand through in a loop, then pass the shuttle through this loop, and draw it tight close to the stitches. After an oval or coillet is finished, the joining is made in the same manner, using the thread attached to the shuttle.
SCALLOP EDGING.

Materials—L & W. Taylor's Crochet or Mocklenburgh Threads, Nos. 1, 4, or 8; or Embroidery Cotton, No. 10.

1st Circle—Fill the shuttle. Commence a loop, work 4 double stitches, then (1 pearl loop and 3 double stitches alternately 4 times), then 1 pearl, 4 double; draw the loop close but not quite tight; and for the

2nd Circle—Commence a loop one-eighth of an inch from the last circle, work 4 double stitches, put the pin into the last pearl loop of the 1st circle and join to it; work 3 double, then (1 pearl and 3 double, 3 times), 1 pearl, 4 double, draw it close. Repeat as the last circle until the length required is made.

The Heading—With a crochet needle, No. 3 or 4, commence at the 1st circle, and holding the work so that the foundation thread is at the top, work for the

1st row—3 plain crochet stitches on the foundation thread between the circles, and then 3 plain in the foundation thread of the circle. Repeat to the end.

2nd row—2 chains, miss 2, 1 treble on the last row. Repeat.
FLORENTINE BORDER.

Materials—For 2 inches deep use I. & W. Taylor's Crochet Thread No. 60; 1½ inches deep, Crochet or Mecklenburgh Thread No. 2, or Embroidery Cotton No. 6; 1 inch deep, Crochet Thread No. 8.

This Edging is particularly suited for Trimming Mantles and Dresses, using Tatting Silk.

THE CENTRE OVALS—Commence a loop, work 4 double stitches, 1 pearl, 4 double, draw it close. Work 3 ovallets more the same, commencing them close to the last. When the 4 ovallets are made, work an overcast stitch between the 1st and 2nd ovallet, so as to join the three together; then work a 5th ovallet as before. When finished, work an overcast stitch on the thread before the 1st ovallet; turn the work on the other side, pass the thread to the pearl loop of the 5th ovallet, join to it, leaving a quarter of an inch of thread; and for the 1st OVAL—Commence a loop, work 4 double stitches, 1 pearl, 8 double, (then 1 pearl and 3
double alternately 5 times), 5 double more, 1 pearl, 4 double, draw close, join to the pearl loop of the next coillet.

2nd Oval—Commence a loop, work 4 double, join to the last pearl loop of the 1st oval; then 8 double, (1 pearl and 3 double 5 times), 5 double, 1 pearl, 4 double, draw close, and join to the next coillet.

3rd Oval—The same as the last, but when finished join to the same coillet as before.

4th and 5th Ovals—As the 2nd, joining to an coillet after each.

When the 6 oval are worked, join to the quarter of an inch of thread at the 6th oval, leaving the space of thread to correspond with the opposite side; then, to form the second scallop, repeat from the commencement, leaving 2 inches of thread before commencing the 1st coillet—this will be for No. 2 thread, if the finer or coarser is used, leave half an inch more or less. When the length is made, leave an inch of thread, and join to the 3rd pearl loop of the last oval; then for

The Heading (which is worked in Crochet)—With No. 3 or 4 Needle, and the thread or silk a size finer than that used for the Tatting, hold the work so that the threads of the foundation are at the top, and continuing from the last joining, work on the last inch of the foundation thread—

1st row—5 plain crochet stitches, then 1 plain, putting the needle into the next pearl loop of the oval; *5 plain again, 1 plain in the next pearl loop, 6 plain on the foundation, which should cover it; then on the next foundation thread, 6 plain, 1 plain in the next pearl loop, 6 plain on the thread, 1 plain in the loop, 6 plain on the thread; and to join the scallops together, work a long stitch thus—"turn the thread twice round the needle, and missing a pearl loop, put it into the 4th pearl loop of the 1st oval of this scallop, and also into the 4th or centre pearl loop of the last oval of the next scallop, finish the long stitch as usual;" then on the foundation thread, 5 plain, 1 plain in the last pearl loop but one of the oval. Repeat from * to the end.

2nd row—4 chain, miss 4, 2 treble. Repeat.

3rd row—Miss 2, 6 plain in the 4 chain. Repeat and fasten off.

1st MILLET—Commence a loop, work 7 double stitches, draw it close.

2nd MILLET—The same as the last, then join to the last pearl loop of the centre oval, holding the centre oval under the thumb so that the millets are above. Work 2 millets more the same as the 1st, join to the 2nd pearl loop of the centre oval; and for the

6th MILLET—Work 3 double stitches, 1 pearl, 3 double, draw it close. Turn this millet down, so that the pearl loop is parallel with the 1st pearl loop of the centre, and repeat from the commencement.
