Kloster lends charm
to the dainty things
you crochet for Baby

Women who use Kloster for crocheting have special pleasure
and satisfaction with it because it lends itself so well to the
making of things which ought to be noticably dainty.

In making pretty things for Baby you will find that Kloster
enhances your deftness. And this is true, too, when you crochet
yokes, edgings and collars for yourself.

At every "crochet klatch" you will find that your friends use
Kloster because of the dainty effects they secure with it and also
because its lustre and lasting qualities are superior.

The dainty things that are made of Kloster do not lose their
beauty in the laundry.

Many a woman who formerly crocheted "just for pastime"
has found that Kloster converted her work into art. Kloster
lends beauty and daintiness to things that would be commonplace if made with other materials.

CENTREPIECE WITH CROCHET EDGE IN ROSE DESIGN

For directions, see page 44

Design No. 1610-1. Materials for making set, one centerpiece, six plate and six tumbler doilies. Twenty-five spools linen thread No. 50, and a steel crochet-hook No. 10, $4.50. Ivory-white linen, 45 inches wide, $1.00 a yard.
Rose Luncheon Set in Crochet

By Viola Shadbolt

AFTER finishing the crocheted edge, lay it flat on the linen to get the exact size of the centre. Cut the circle about one-eighth of an inch larger than the inside edge of the crochet, and sew with fine stitches to the crochet.

For description of stitches, see page 40.

Rose Medallions.—Chain 6, and join in a ring with a sl st. 1st round—ch 9, * 1 t in ring, 3 ch. * Repeat 6 times from * to * until there are 8 spaces (the last 3 ch fasten in the 6th st of the first 9 ch).

Turn yoke and crochet across 9 sp, making 6 designs for shoulder. Turn and add 8 designs for back, making 9 across. Make 5 designs for other shoulder and fasten to front.

Crochet 1 row of sp around top and add edge. [Concluded on page 30]
A Variety of Christmas Gift Suggestions
For the Home Needleworker

The girl who makes her own Christmas gifts, or at least the majority of them, will find that among her girl friends, fancy bags never lack appreciation.

The butterfly-bag is made of tan poplin. This is a very soft material, very easy to embroider upon. The bag is made of a piece of material eighteen by thirty-six inches. Lay the piece flat, then fold up the ends as marked, and make a narrow seam. This, when held up in position, will form a double bag. Make a deep hem at the top, then a line of running stitches to form a casing for the draw ribbons.

The butterflies are worked on both sides of the bag and are yellow, blue, black, green and brown. The leaves are worked solid in green and the flower petals in blue, with yellow centres. The body of the butterfly is black with a yellow line between the sections. The edge of both wings is outlined with black, the solid section on the outer edge of one being in the lightest shade of brown. The solid spots on the surface of the wings are of two shades of brown, with a yellow spot near the tip of each wing. A color diagram will be sent with each pattern.

The second bag measures ten by twelve inches. This is made flat, with the design on one side only. The outside is green linen with a lining of rose-pink linen. The rather bold design is in pink and green with just a touch of black in the flower centres. Work the leaves solid across and the flower petals from the centre to the outside. Outline the stems very closely with black.
TOWELS and — towels!  
And what wonderful possibilities in that one word. For, just so many kinds and sizes are there, just so many ways of embroidering are there.

Initial marking is a general favorite, the possibilities in this really having no limit. Only three suggestions are offered on this page.

The first towel is made of plain twenty-two-inch huckaback. The ends are finished with large, even scallops, which are padded and buttonholed. The loops between the scallops are made as the work progresses. Work the first scallop and a short distance on the second one, then carry the thread back to the first scallop an equal distance from the corner, over and back again, making three threads, over which work button-holing, and continue with the next scallop. Be sure this loop is entirely free from the linen, as the linen is afterward to be cut away. The flowers of the wreath are worked solid, taking the stitches from the centre to the outside. Make an eyeclet in each flower centre and three on each side of the wreath. Work the bow-knot solid and the lines in stem-stitch.

The Turkish towel has a plain oval and bow-knot. Use a one and one-half-inch script letter.

The work is all done solid, working very carefully on the Turkish parts of the towel, as it is

[CONCLUDED ON PAGE 34]
HANDKERCHIEFS of all kinds have long been recognized as a popular Christmas gift, and naturally, hand embroidery increases their value.

The five grouped at the top of the page are stamped on twelve-inch hemstitched handkerchiefs, so all that will be necessary will be to work the dainty embroidery design in one corner.

The design in the upper left-hand corner has the ribbons in French knots in lavender with the tassels made of single stitches taken the entire length of the short stamped line. Work the letter in satin-stitch.

The design below is worked in pink, green, and yellow, each section being worked solid with the exception of the dots between the petals, which are French knots.

The centre design is quite unusual having three small sprays of flowers with a butterfly above. Make the flower petals of pink French knots with centres worked solid in yellow. The leaves and stems are green. Work the butterfly wings in yellow with the spots and body in black. The design in the upper right-hand corner is in pink and green, with the flowers, leaves, and letter worked solid and the dots in French knots. Special care should be used in working these small letters.
Towels Trimmed with Crochet Add Variety

The crochet used on the first towel may easily be worked from the block pattern shown on the opposite page, following closely the general directions for filet crochet given on page 40.

See page 40 for description of stitches.

Crochet the six squares, then darn in pattern in two shades of blue. Now with the right side of lace towards you, make 5 double crochet in each space all around squares. Then with one strand of the light shade of blue embroidery cotton, make one double crochet in each double crochet taking up back thread of stitch only. Do this along one edge of lace only. Baste the lace in place across end of towel and with white embroidery thread buttonhole the lace to the towel, taking stiches through the double crochet stitches on top edge of lace. Cut material away in back of lace and overcast the edges to the back of towel.

The narrow band across the other end is made by following the narrow block pattern. Darn between the blocks as shown. This band is used as an insertion.

Towel with Crochet Band
No. 1616-16

The scallops may be made in any size, although the large ones are preferable. These are easily made by dividing the towel end into equal parts, then marking around a plate. Turn the edge once and baste close to fold. 1st row—Make ch and whip on to scallop. 2d row—d in each ch st. 3d row—Same as 2d row. 4th row—d into first 8 d, ch 10 and catch back into 1st d, cover ch with 18 d. 5th row—12 d in 12 d on scallop, * ch 6, catch back into 5th d from end, cover ch with d, 4 d on side of scallop. This completes one scallop. Skip 2 d at base of next scallop, 10 d in next 10 d; repeat from *.

The insertion is made by following the block pattern shown below the towel. See general directions for filet crochet on page 40. Work four leaves, then measure...
this length on the opposite side of the towel in order to find the space allowed for letters in the centre. In order to work these perfectly accurate it is advisable to block out the letters on cross-stitch paper so the same number of spaces may be made between the letters.

The last part of the insertion should be worked from right to left of the block pattern.

**Narrow Edge**

Chain 8, join with sl st. 

1st round—ch 6, t d t in ring, (ch 3, t d t in ring), 6 times, ch 3, join in 3d st of 6 ch with 1 sl st. 2d round—ch 2, 4 h t in next till you have 5 sts, and the ch of 5, which represents the 1st of the 6 sts required for the star point, thread over hook, draw

Colored Embroideries

With Crochet

for the

Living Room

By Evelyn Desguin

Embroidery combined with crochet makes most interesting pieces for the living-room. And the crochet, to be most effective, should be made of a heavy material.

The linen used is an écru Art crash, especially adapted to this character of work. The threads are somewhat uneven and loosely woven, so it is very easy to embroider the design upon it.

The strips of crochet are made in true filet, the general directions for which will be found on page 40. With these, the design may be worked out from the illustration. The foundation chain is of 36 stitches. Where the crochet is joined to the linen, turn a single narrow hem and work close double crochet (see page 40). Join with needle and thread or with slip-stitch. The crochet is used on the front of the pillow only and the entire length of the centre of the scarf.

Around the outside edge of the scarf

Finish the Edge with Picot Loops

Design No. 1610-17a. Size, about 20 x 62 when finished. Stamped écru Art linen, 90 cents, or given for two subscriptions, of which your own may be one, and 20 cents. Embroidery cotton, 25 cents extra, or silk, 80 cents extra. Ecru carpet-warp, one reel, 50 cents. Packing and postage, 10 cents extra. Steel crochet-book No. 3, 10 cents. Perforated pattern of one motif, 15 cents; transfer pattern, four motifs, 15 cents. A color scheme will be sent with each pattern of the two designs shown on this page.
make a picot edge. Work double crochet, as on the plain edge, for twenty stitches, then chain 5, catch back in the fourth stitch and over this chain 5 work 7 d. Continue with the double crochet and picots. On the corners make larger picots. A pretty finish for the scarf would be to make tassels and fasten one in each of these large picots on the three corners.

Fill the surface of the other half of the leaf with tiny seed-stitches. These are made by taking successive rows of running-stitches, having the stitches of one row come opposite the spaces of the previous row.

All of the small spots are worked solid, using blue and green. The flower centres are solid in yellow. The lower half of

The embroidery is done in green, yellow, and two shades of blue. As shown in the illustration, work one-half of the larger leaves in satin-stitch. This should first be padded a very little. Take the stitches somewhat slanting, and continue around the opposite side of the leaf, working in outlining. Make these outline-stitches very close and even, giving a cabled effect. To do this, join each stitch to the preceding one.

the larger petals is worked solid in the darker shade of blue, the edge is outlined in the same shade and the surface filled with seed-stitches. The three upper petals are worked solid on the top, the edges outlined and the surface left plain. These are in the lighter shade of blue. Make the pillow up plain, placing a strip of silk beneath the crochet. This may be either brown, blue, or green. The centrepiece is finished on the edge with buttonholing.
Some Narrow Crocheted Edges in White and Color

ANY of these edges and insertions may be made narrower or wider by using finer or coarser thread, thus adapting them for use on various materials and articles. For description of stitches see page 40.

Edge No. 1610-19

Directions.—The upper part is made first and then the scallop is added.
Chain 30 sts. Turn, and in the 7th from the hook make a d. (ch 5, skip 2, d in the next) 8 times. 2d row—ch 7, turn, 2 d under the first 5 ch, (ch 5, 2 d under next 5 ch) 8 times. Repeat the 2d row 8 times more.

For the next row, ch 5, 2 d in the first 5 ch, (ch 2, 2 d in next 5 ch) 8 times. For the next row, ch 3, turn, 29 t—1 in each st of the last row.

With Fringe for Sofa Pillows and Scarf Ends

Next row, ch 5, turn, skip 2 t, 2 d in next 2 t, (ch 5, skip 2 t, 2 d in next 2 t) 7 times—making 8 loops of 5 ch. Repeat from the 2d row until the lace is the desired length, then break the thread.

For the scallop, fasten the thread at the right side of the first row of t, ch 9, fasten with sl st at the left of the row of t, ch 3, fasten in 2d loop by sl st, turn, 15 t under the 9 ch, fasten in 2d loop on the right side, ch 3, join in 3d loop, turn, t with 2 ch between in each t in the scallop, join in next loop on the left side, ch 3, join in next loop, turn. The next row is of cross treble made thus: over twice, take a st in first t, over and through 2 sts, over and take a st in the next t, crochet all the sts off 2 at a time, ch 2, t at the crossing of the t. Begin the next cross treble in same t as last st of the first one and take the second st in the next t. Join to the loop on the other side. Turn, (ch 7, d) in every 2 sts of last row. Join to loop on the other side and make d along the edge to the next row of t and make the next scallop, joining the last row to first scallop by 2 of the 7 ch.
Repeat upon the scallops to the end of the lace.

Handkerchiefs with Crocheted Edge

Cut the linen by a thread, making the
handkerchief the desired size. Roll the edges and hold in place with fine stitches. Any of these edges may be made in white or color.

No. 1610-22 (White)

1st row—D closely all around edge and join with sl st. 2d row—ch 5 and t into 3d d, ch 2, skip 2 d and t into 3d d, repeat for even spaces all round. 3d row—2 d in each ch space. 4th row—1 t in first d; ch 3, 3 t over the side of last t; skip 3 d, 1 t in next d; repeat to complete edge.

No. 1610-23 (Blue)

1st row—D closely all around the edge. 2d row—ch 5, t in 3d d; ch 2 and repeat for even spaces all around. 3d row—5 d in each of the first 2 spaces and 3 d in 3d space; ch 3 catch with sl st in 3d d of the 2d space; ch 3, catch with sl st in 3d d of 1st sp; 5 d in last ch of 3; 3 d in first ch of three; ch 3 and sl st in 3d d in last ch of 3; 3 d in loop just made; ch 3, catch back in last d for picot; 2 d in same loop; 2 d in unfilled loop in 2d row of scallop; 2 d in unfilled 3d space. Repeat for next scallop.

Ivory White Linen Worked in Color

By W. A. Dickey

Buffet Scarf End

Design No. 1618-25. Two sizes. Size, 20 x 60 inches. Stamped ivory-white linen, $1.15. Embroidery cotton, 65 cents extra, or silk, $2.25 extra. Perforated pattern, one-half length (reversible), 45 cents; no transfer pattern. Size, 20 x 90 inches. Stamped ivory-white linen, $1.60. Embroidery cotton, 70 cents extra, or silk, $2.45 extra. Perforated pattern, one-half length (reversible), 60 cents; no transfer pattern. Stamping compound, with directions, 10 and 25 cents a box.

A color scheme will be sent with each pattern.

Again we are back to the days of colored embroidery on white, or near white linen. And it might almost seem that the greater the variety of colors, the more we enthuse.

This set of between-meal cloth and buffet-scarf is quite unusual both in design and combination of colors and is of such character as may be used with almost any furnishings.

The material is a medium-weight, ivory-white linen, somewhat loosely woven, so that it is very easy to embroider upon, although not loose enough so the threads will draw in working.

Two shades of rose-pink are used for the flowers, the darker shade for the central ones, and the lighter for the others. Pad the curled edges of the petals a very little and work them solid, outlining the rest of the petal.

The dots in the flower centres are yellow, each being worked solid. Be sure these are made perfectly round. All of the leaves are outlined with the lighter shade of green. Take short,
even stitches working the points carefully to keep the perfect lines. The stems are outlined in a darker shade of green.

Work the forget-me-nots in three shades of blue, shading from the darkest on the perfect flowers, to the lightest on the lines, broken at the intersections. Make the lines of spaced stitches taken the entire length of the short stamped lines. The cluster of four forget-me-nots is worked the same as the forget-me-nots of the design, taking the stitches across.

single flower petals. The stitches on the petals are taken from side to side. Make small yellow French knots for the flower centres.

The working of the oval is quite unusual. The outside line is outlined in black, using green for the inside line. The background of the oval has crossed diagonal

The edge of the centrepiece and scarf is finished with an unusually attractive scallop, the lines being sufficiently broken to make it interesting. This scallop is padded and worked solid in buttonholing with white. Just inside this buttonholing is a line of spaced running-stitches in black, which adds greatly to the effect.
Christmas Novelties Easily Made

(See Cover)

**ALL of the cases shown on this page are all ready made up, so the worker will have only to embroider the simple designs. Be sure the work is neatly finished on the wrong side in every case as this will show when it is opened.**

**AFTER the bean-bags are embroidered place the front and back together and stitch all around, with the exception of a small opening. Turn right side out, partly fill with beans and close opening with small stitches.**

**DESIGN No. 1610-27, KNIFE CASE.** Either design stamped on a ready-made case of cam linen, with flannel lining, 60 cents. Embroidery cotton, 9 cents extra, or silk, 15 cents extra.

**DESIGN No. 1610-28, FORK CASE.** Design stamped on a ready-made case of cam linen, with flannel lining, 45 cents. Embroidery cotton, 9 cents, or silk, 15 cents.

**DESIGN No. 1610-29, SPOON CASE.** Design stamped on a ready-made case of cam linen, with flannel lining, 45 cents. Embroidery cotton, 9 cents, or silk, 15 cents.

**DESIGN No. 1610-30, GLOVE CASE.** Design stamped on a ready-made case of cam linen, with pink or blue lining, 35 cents. Embroidery cotton, 9 cents extra, or silk, 15 cents.

**DESIGN No. 1610-31, GLOVE CASE.** Design and one letter stamped on a ready-made case of white linen, with pink or blue lining, 35 cents. Embroidery cotton, 12 cents extra, or silk, 20 cents extra.

 THESE bags and cases are also furnished made up ready for use as soon as the embroidery is done. The little laundry-case will be greatly appreciated by the girl who travels, as it is all fitted up with clothesline and clothes-pins. The popular black-and-white effect is gained by the lining showing through the white poplin. Against this, the bright colors of the design are very effective.

**Design No. 1610-33.** Comb and Brush Bag. Design stamped on a ready-made bag of linen, 35 cents. Embroidery cotton, 9 cents extra, or silk, 20 cents extra.

**Design No. 1610-34.** Knitting Bag. Design stamped on a ready-made bag of white poplin, with black and white lining, 35 cents. Embroidery cotton, 6 cents extra, or silk, 10 cents extra.

**Design No. 1610-35.** Laundry Case. Design stamped on a ready-made case of linen, fitted with line and pins, 20 cents. Embroidery cotton, 3 cents extra, or silk, 5 cents extra.

**Design No. 1610-36.** Slipper Case. Design stamped on a ready-made case of two linen, 35 cents. Embroidery cotton, or silk, 15 cents extra. Embroidery commercial, 75 cents additional.
Yoke and Jabot in Tatting

DIRECTIONS. 1st row—r 4 ds, 7 p 2 ds between, 4 ds; ch 7 p 2 ds between; r 4 ds, p, 2 ds, join to 6th p of 1st r, 2 ds, 5 p 2 ds between, 4 ds; ch 7 p 2 ds between; r 3 ds, 3 p 2 ds between, 3 ds; ch 7 p 2 ds between. Repeat 19 times. 2d row—r 4 ds, 7 p 2 ds between, 4 ds; ch 6 ds; r 4 ds, join to last p of 1st r, 2 ds, 6 p 2 ds between, 4 ds; ch 6 ds; r 4 ds, join to last p of 2d r, 2 ds, 6 p 2 ds between, 4 ds; ch 4 ds; r 4 ds, join to last p of 3d r, 2 ds, 6 p 2 ds between, 4 ds. Make another r like one just made; ch 6 ds; r 4 ds, join to last p of preceding r, 2 ds, 6 p 2 ds between, 4 ds; ch 6 ds; r 4 ds, join to last p of preceding r, 2 ds, 6 p 2 ds between, 4 ds; ch 6 ds, p, 6 ds, join to 5th p of ch between 2 large r's on 1st row, 6 ds; r 3 ds, join to 5th p of last r, 2 ds, 4 p 2 ds between, 3 ds; ch 6 ds; r 3 ds, join to last p of small r, 2 ds, 8 p 2 ds between, 3 ds; ch 6 ds, join to 6th p of ch between large and small r's on 1st row, 6 ds, join to 2d p on ch after small r on 1st row, 6 ds; r 3 ds, 2 p 2 ds between, 2 ds, join to 7th p of preceding r, 2 ds, 6 p 2 ds between, 3 ds; ch 6 ds; r 3 ds, join to last p of preceding r, 4 p 2 ds between, 3 ds; ch 6 ds, join to 3d p of ch between two large r's on 1st row, 6 ds, p, 6 ds. Repeat 10 times.
Tatting Jabot Made with Filet Braid

Wind shuttle with thread, join to filet braid, using braid just as if it were the ball thread in two-thread tatting.

Small Ring.—Make * ch of 5 ds, 4 long picot (1 p) with 1 ds between, 5 ds, close in form of ring * by tying shuttle thread to ends at beginning of chain just made.

Large Ring.—Chain of 10 ds, 4 p with 1 ds between, 10 ds, tying to form a ring as before; repeat from * to *, tying as before, ch 7 ds to connect and repeat r’s for 2d half of jabot, ch 12 ds, tying to 1st r of 1st half cut braid and thread, fasten securely. The fringe is fastened to this ch of 12 ds.

Fringe.—Tie thread and braid together as before, ch 2 ds, 3 p with 1 ds between, 2 ds, tie securely to form ring and cut the thread only, leaving about 2 inches of braid to fasten to 12 ch of jabot. Make six more rings, leaving each braid a little longer than the last, as seen in illustration, fastening ends of each braid to same ch of jabot.

Note.—By carefully removing cardboard from centre of a bunch of filet braid, the braid can be used from the inside of bunch, and will not snarl as when unwound from the outside.

The table cover worked in delft blues, shown on the frontispiece of Home Needlework Magazine for August, should have been credited to Sonja Danfelt instead of Lilian Barton Wilson.
Embroideries

for the

Baby

Including Bibs

and a

Case for Them

Every mother knows just how many bibs are necessary for the baby, so no gift for the young hopeful will be more welcome.

Now that we have cases for almost everything, why not a bib case? And when we are making the bib for the baby, why not make the case also and make the gift complete?

The three bibs at the top of the page show a variety both in shape and method of working. All three may be made of either batiste or linen cambric.

The interesting feature of the one at the left is that the design forms a part of the scallop. Each little spray has two leaves and the flower formed of graduated eyelets. The most satisfactory way to have these clusters of corresponding sizes is to use a gauged stiletto, first making the corresponding eyelets in each cluster before changing the gauge. Work in this way for all four sizes. One strand only of the stranded cotton should be used for working, as the design is very fine. Pad
the tiny leaves with two or three short stitches, and work solid. The stems may either be done in close outlining or stem-stitch, which is narrow satin-stitch made over running-stitches.

Pad the scallops and buttonhole, working carefully to make a distinction between the round and pointed scallops.

The neck edge is finished with a narrow line of straight buttonholing.

The bib with the three stiff little flowers is finished with buttonholing and picot loops. Work a few buttonhole-stitches then catch the thread back three or four stitches forming a loop. Fill this loop quite full with buttonhole-stitches. Continue with the buttonholing and loops. Finish the neck edge with plain straight buttonholing.

The flower petals are worked solid in white, while the flower centre, stems, and leaves, are blue. Work the leaves solid and outline the stems.

The third bib has a French and eyelet embroidery design. The edge has large scallops sub-divided into small regular ones. These are padded and buttonholed in the usual way, finishing the neck edge with the plain buttonholing.

The scattered dots on the surface of the bib are worked solid. Pad these and work carefully to keep them perfectly round. Many workers find it much easier to work from the centre to the outside, then go back to the centre and finish the rest of the dot.

The bow-knot is padded and worked solid taking the stitches across. The large dots in the circle are made in eyelets and the small ones in French knots. A touch of color might be added by outlining with a single thread just inside the scallops. The solid sections might also be outlined or the eyelets made in color. This latter is very effective and quite popular at present.

The bib-case is of white poplin and may be lined with either pink or blue silk muslin as preferred by the worker.

8 rows, decrease 1 st at each end of 9th row, k 6 more rows and decrease again at each end of row. Repeat twice more, making 4 times decreasing. This should leave 52 sts on needle.

Knit plain 12 rows, then add 1 st at the end of each row, k 8 rows and add 1 st at end of each row. Repeat the same twice, then k 5 rows and add 1 st at end of each row. Repeat once. You should now have 64 sts, which form the widest part of the back.

Knit plain 4 rows, decreasing 1 at each end of row. Repeat the same twice. On the 6th row decrease 1 at each end of row. Repeat the same once. You should now have 54 sts on needle.

Knit 14 rows plain, add 1 st at each end of the next row, then k 4 more rows, adding a st at each end of this row, then k 4 more rows, add st on the end of this row, k 6 rows and add 1 st, then k 6 rows again, adding a st at each end of this row. You should now have 64 sts on needle.

Knit once across and back again. Knit 25 sts, slip on safety-pin and bind off 14 sts, k across the remaining 25 sts and bind off 3, k 2 rows and bind off 4 sts. On 2d row again bind off 5 sts, on 2d row again bind off 6 sts, on 2d row again bind off remaining 7 sts, which forms right shoulder. Slip the 25 sts from safety-pin on needle. Starting to knit, knit from neck, or where the sts were bound off, making shoulder like right shoulder, only working in opposite direction.

The back, knitted stocking-st, will be curled, but by pinning upon a damp cloth in its proper shape, it will lie perfectly flat.

Front.—This is knitted in the garter-st. Cast on 50 sts, k 4 ribs, decrease 1 st at the end on right side. The left side of work must be perfectly straight until the “V” for the neck is formed. Decrease 1 st on right side of work on 7th, 10th, and 13th ribs, then k 16 sts, bind off 15

of these and knit for three inches, bind off. Take up the other stitches and knit three inches, bind off. Sew on wrong side.

It is safe to imagine that the thoughts of the boys this winter will naturally turn to warfare, and snow fights will be the chief amusement when the snow flies. To be the happy possessor of a storm cap similar to those sent to the soldiers on the field would delight the heart of any boy. This style of cap is easily rolled back, and forms an ordinary cap to be worn over the ears or not as desired. When used in helmet shape, it is a complete protection from snow or sleet about the throat and neck. The directions are given for two needles. Cast on six stitches, knit one row plain knitting; next row increase one stitch between every stitch, then two rows plain, next row increase one between each stitch, two rows plain, increase one between each stitch; continue this till there are ninety-six stitches on the needle. Now knit two stitches plain, two purl, across the row, and continue this ribbing for six inches. Now knit twelve stitches ribbing, bind off twenty-four stitches and take off the remaining stitches on to a cord. Knit the twelve stitches of ribbing for two inches, take off on cord, take up the stitches on opposite side of opening and knit in length to correspond with first side. Knit back and cast on twenty-four stitches, then take up the twelve stitches on cord and continue knitting the full ninety-six original ones in ribbing for six inches. Now take off half

A Butterfly Design for the China Painter

By Gertrude S. Twichell

This month we are showing the popular butterfly design used on odd pieces of china, which will make very attractive gifts for Christmas. A combination cracker and cheese dish shows both the large and small butterfly. The plate illustrated will go with either the jelly-jar or the mayonnaise-bowl. On the cheese-dish use the large motif eight times and the small one nine times. The plate has the motif repeated six times. On the mayonnaise-bowl the design may be repeated either four or five times, according to the size. When a smaller plate goes with this piece the design must be planned to fit the china. If a handled jelly-jar is used the motif can be repeated but twice, once on each side. If, however, the plain jar without handles is used, repeat the motif three times.

In all cases space off the china carefully, using a plate-divider and ruler. The bands must be adjusted so they are even whenever it happens that the pattern given varies from the size of the piece being decorated.

Draw in the bands in this manner. Measure down from the edge of the china and mark the correct distance. Place the pencil-point on this mark, rest the fingers on the edge of the china and turn the dish with the other hand, or run the fingers around the edge while holding the pencil firmly. This should make even bands. A common soft lead pencil may be used if the china is first wiped over with denatured alcohol and then dried. The short upright bands between the butterflies should be exactly in line with the centre of the plate.

After the design is all traced in, go over the lines with outlining black, using a fine brush. Make the lines very firm and even with smooth edges. The gold bands may be outlined or not, just as one prefers.

If one is not skilful in tracing and outlining work, it may be easier to use the...
prepared outlines. Prices for these are given under the illustrations. These give the outline of the pattern in Ceramic black (in black only) on films backed with paper. They are placed in warmish water until the film is soft and begins to separate from the paper. Then they are laid on the china, the paper backing slipped from under them and the film carefully moved into correct position. They must then be dried and fired. No outlining nor tracing is required.

The china should be fired after the outlining is dried, whichever method is used. Then the painting may be done more easily. Some of the more expert workers may be able to put on the first coat of gold or thin coats of color before the first firing, but it is best for the beginner to wait until the outlining is fired.

An infinite number of color schemes may be worked out for this design, but the original one was in tones of brown with paneling of delicate blue and yellow brown. The groundwork was cream-color of Copaiba to the consistency of a stiff paste, then a tiny bit of turpentine may be used as necessary. Paint the upper panels with deep blue green or other light, pretty blue, padding them until smooth.

Clean out the paint from the lower border and, after the blue is dry, tint this with yellow brown padded thin. Clean out the paint very carefully from the butterflies and bands and when all the tinting is thoroughly dry paint the butterflies. The different stages of the work must each be dried carefully in order that the different colors may not run and blur badly.

Paint the butterflies with warm, soft, dark brown, making them darker toward the body, and having the lower wings deeper than the upper. Do not make the color too dense. The body is very dark brown or black. The bands on the wings are to be painted with yellow brown with a very dark brown spot at the upper part of each band. The other four small spots in the wings should be bright yellow. Tint the lower part of the china with cream-color, fill in the gold bands and the china will be ready for firing. If a third firing and painting seem necessary to get smooth coloring and a good coat of gold in the bands, they should be given, as the better finish will more than repay for the extra work.

The colors of the butterflies might be reversed, using the yellow brown for the

sts for pocket, k remaining 15 sts, k back the 15 sts, cast on 15 sts, then k to the end of row the remaining 16 sts. You should now have 46 sts on needle.

Knit 6 ribs. On the 2nd, 24th, 29th, 30th, and 31st ribs add 1 st. Now k 19 sts, bind off 13 sts, then k the remaining 20 sts, turn and k 20 sts, cast on 13 sts, k remaining 19 sts, forming the opening for the second pocket. Knit 4 ribs and add 1 st, k 2 ribs and add 1 st, then k 2 more ribs without adding st, now decrease 1 st on same side, k 2 ribs, decrease 1, k 2 ribs, decrease 1. Repeat same twice. Knit 3 ribs, decrease 1 and repeat, k plain 2 ribs. Now on left side of work decrease 1 st on the next rib. Repeat each rib until there are 25 sts left on needle and bind off shoulder like back, by decreasing first 3 sts, then 4, then 5, then 6, then 7, working left front like right front, only reversed.

Pocket.—Pick up the cast-on sts and k 20 ribs, bind off and sew to bottom the bound-off end and sew up sides of pockets. Finish top of pocket with band knitted on steel needles. Casting on 5 sts — put on like a vest pocket. Sew up seams under arms and also shoulder seams.

TRIMMING.—On steel needles cast on 10 sts, k 20 ribs. Work buttonhole as follows: Knit 3 sts, bind off 4 sts, k 3 sts, turn, k 3 sts. Cast on 4 sts, k 3 sts, k 18 ribs. Repeat buttonhole, then 18 ribs, making 6 buttonholes in all. This is for right front. Continue knitting band until it reaches all around neck and down left front. Be sure and make the corners plenty full where the "V" begins. Knit band for bottom of vest and join to band on front. Finish armhole with narrow band knitted on steel needles. Start 2 sts, increase at each rib on one side until there are 7 sts, k the length required, then decrease again to 2 sts. Join the bands, forming a "V"—these are for under the arm. Sew on the buttons to correspond with the buttonholes.

The Proper Needles for Embroidery

By an Expert Needleworker

While some may use the ordinary sewing needle, I believe the large majority of the best needleworkers prefer the long-eyed or "Crewel" needle, and this is the one recommended by nearly all the societies of Decorative Art in this country. Nos. 9 and 10 are the proper sizes for one thread of Filo Silk, which is to(208,641),(310,824) be embroidered into linen lawn, grass linen, or bolting cloth. For ready stamped linens use No. 8 or No. 9; for heavier linens use No. 8; and for butcher's linens, or fabrics mounted over linen, No. 7 will be required. No. 7 is the size for heavier work in two threads of Filo Silk. Persian Floss and Etching Silk require a No. 8 needle, and for Roman Floss a No. 4 needle is needed. For Rope Silk choose a No. 22 Chenille needle. I consider HARPERS "Queen's Crewel" needles the best, and I advise all needleworkers to obtain them if possible.

In Mountmellick Embroidery one should use the coarser sizes, No. 7 for Mountmellick Embroidery Silk, size FF, No. 6 for size F, No. 5 for size G, and No. 4 for size H. Be sure that you get HARPERS "Queen's Crewel" needles, and accept no substitute.

ground color and the dark brown for the body, bands, and double spots. Yellow would be used for the light spot in the bands. This arrangement is shown on the cracker and cheese dish. The yellow brown tinting, of course, must be enough lighter than the butterflies to make a good contrast.

The more experienced worker will be able to use blue and yellow brown lustres for the panels instead of the ordinary paints. The butterflies might be of green lustre with gold bands and spots. The jelly-jar could be carried out in gray, silver, and soft red. Make the butterflies of medium gray with blood-red for bands and spots. Use a black body and put silver lustre in the single spots in the wing-bands. Tint the lower part of the jar a soft, pretty gray, using blood-red padded thin for the panels and making the lower continuous border of a still lighter tone of the red, or of medium gray. The bands would be of silver lustre.

Crocheted Garter Purse
(For description of stitches, see page 40)

CHAIN 50, turn. 1st row—1 d in every other st of ch, with 1 ch between, making 24 d, ch 2, turn. This should be a little longer than the width of a bill. 2d row—Same as 1st, with d in sp between d of previous row, with 1 ch between. Continue this way until there are 55 rows, break thread. Double the work together and sew up ends, making a pocket.

FLAP.—Fasten thread at end of original ch, continue in the same st for 14 rows, narrowing by leaving off 1 or 2 d at beginning of rows and 1 at end when necessary to make rows as follows: 1st row—

23 d. 2d to 7th rows—22 d. 8th row—20 d. 9th row—19 d. 10th row—16 d. 11th row—15 d. 12th row—12 d. 13th row—11 d. 14th row—8 d.

STRAP.—Fasten thread in seam at top of pocket, make 6 d down seam, turn, ch 1, 6 d in 6 d, and continue until strap is length desired.

Make another strap from other seam. Attach buckle to end of one strap. Sew two snap-fasteners where points of flap meet purse.

If made for a gift, the following verse printed on a card and tucked in the purse will explain its use:

General Directions for Filet Crochet

FILET crochet consists of blocks (bl) 4 t and spaces (sp) t on t, 2 ch, t on t. When more than 1 bl appears, the number of t should be 3 times the number of bl, plus 1 t. The foundation ch should be 3 times the number of spaces plus 1, plus 5 to turn. For instance, if the first row consists of 10 sp, the foundation chain will be 3 times 10, plus 1, plus 5, or 36. Always ch 5 to turn at the end of a row when the next row begins with a sp, and ch 3 for the first t when the row begins with a bl. When a row is to be increased 1 sp at the beginning of the row, ch 8 and make 1 t in the first t; when increased at the end of the row, ch 2, 1 t in same place last t was made; if other spaces are added, ch 2, 1 t in middle of last 1 t. When increasing more than 1 sp at the beginning of a row, ch 3 times the number of sp to be increased plus 5 sts, t in ninth st from hook, (ch 2, skip 2 sts, t in next) the desired number of times. When a row is increased 1 bl at beginning, ch 6, t in 4th st from hook, t in next 2 sts; when increased a bl at end of row 1 t in base of t, (1 t in base of 1 t) twice.

Description of Stitches Used in Crochet

Chain (ch). Stitch (st). Stitches (sts). Picot (p). Slip stitch (sl st). Having loop on hook, insert hook in work, thread over and draw through both work and loop on hook. Double crochet (d). OUTFIT FOR RAG DOLL

(CONCLUDED FROM PAGE 38)

3rd round—Like the 2d, but if needful, increase a set at the join of the round. By this is meant, put the sts close enough together towards the end of round to get another set in. 4th and any succeeding round—Like the 2d. No increase unless needed.

When one leg is long enough, break off and run in end of wool. Make another leg just the same; then for body work round and round both legs in 1 ch between sts, till the work is well up to the arms.

ARMSHOLES.—Work about 3 or 4 holes, make 4 ch, miss about 3 holes, work to the middle of the bodice, then measure and make the other side to match.

Last row—3 ch, 1 d in next hole, and repeat from * all round. Draw in end. Make a ch, 3 times the length of the neck part, run in and add thin tassels. Make a tiny scallop round the lower edge of each leg, and fasten in the end. Put on the doll and tie at the neck.

DRESS.—Make a ch to go very easily round waist, and 5 extra ch. 1st row—1 t in 5th ch, * 1 ch, miss a st, 1 t in each of next 2 sts, and repeat from * all across.

Turn. 2d row—3 ch, 1 t in 2d st, * 1 ch, 1 t in each of next 2 t and repeat from * to end of row. Join the last st to the first, so that henceforth the skirt is in rounds, and now always work the sts into the two back loops of the t you are working over.

From now on work a t over each t, with 1 ch between sets, widening if really necessary by putting an extra set or two at the back, until the skirt is long enough; in the model were nine rounds beside the border (in the nine are included the first two rows).

BORDER.—One d in a st, * 3 ch, 2 t in next st; miss 2 ch, 1 d in the next; repeat from * on this order. Sometimes the d can be put 1 ch from the t; all that is needed is to get a good smooth effect. The border had better be full than tight.

WAIST.—Work a row in the t with ch between each set to match the t in the skirt; at the end of row turn, and henceforth work through the two top strands of each st. Work two rows, or more if needed, but the dress waist must come up to the underside of arms. Also it will probably be found better to increase a st at beginning and end of 2d row.

We guarantee honest treatment from our advertisers
SLEEVES OF WAIST.—Make 3 ch to begin and make a t in the 1st st, * 1 ch, 2 t over
the next 2 sts, and repeat from * once, or perhaps twice. Make 4 ch, miss 7 sts (3 ch
and 2 sets) and work across the front; take notice of the size of the arm and back and
make one side to exactly match the other.

NECK.—Work a row of 1 t to begin, * 1 ch, miss a st, 1 t in next st, and repeat from *
all across the top. Final row of neck—1 d in a hole, * 2 ch, 1 d in next hole, and repeat
from *.

SLEEVES.—Begin at the right hand of the underside of armhole, in white wool, if you
are using two woods, make d to the other side of the lower part of armhole. Now
work 12 t around the top of armhole. Make another round like this, then work 3 rounds
of t, or work till the sleeve is long enough, and if needed take in a little in the last row
or so. Now take the colored wool again and work a bordering row—1 t in a st, * 3 ch,
catch to the first of the ch, 1 t in the next st, now another t in next st, and repeat from *
end the round snugly. Work the other sleeve the same. Add strings and tassels
to neck and waist.

BONNET.—Make 3 ch and close in a round. Now 3 ch for 1st t and work a round in t,
increase as needful. Join the round at finish. 2d round—Work like the first, increase as
needful to make it round; an extra st in every 4th st will probably suit; close as before.
1st row—Turn and work as usual till about 7 sts are left. Turn. 2d row—3 ch, work a st in each st of the bonnet and in this
row, you will find it well, probably, to take 2 sts together about twice, so as to shape the
front. This should come sufficiently to the front, but if not do another row.

CAPE OF BONNET.—At the end of the last row make 4 ch, 1 easy d t under a st, 1 ch,
easy d t under the next st, and continue
all across the back to make the cape.

FRONT.—Three ch, 1 d in a st, * 3 ch, miss a st, d in the next, and repeat from *. Make
a second row like this first, inside it, towards the inside of the bonnet, putting the d under
the ch of the first row. Carry this second row all around the cape.

In the model there was a row of the chain picots in the second color round the front,
which was also carried round the cape. Quite long strings were added, which crossed at
front, and were carried round the bonnet cape, holding it snug, and tied at side.

SHOES.—The shoes were crocheted with the same needle, of black wool, but they may be
of any other preferred color. A tiny sole was crocheted, then a row half way round,
then the remainder of the sts were of 1 t, partly crocheted and gathered on the hook
as they were made, till a st or two was finished to make them into the semblance of a
shoe. They were finished by being sewed in proper shape on the doll’s feet, and bows
of ribbon to match were added.

ONE hardly realizes, until she has seen the completed garment, how much a touch of color adds to an otherwise all-white effect. The kimono gown also has a variety of work which gives it an added charm.

Fine nainsook is used and is of sufficient width to make the little short sleeves without piecing. Buttonhole the scallops in the usual way, then work a fine line of blue outlining on the inside edge. Use only one strand of stranded cotton for this. The leaves are padded and worked solid in white, as is also the flower centre.

The flower petals are made in eyelets using one strand of the blue cotton.

The line extending entirely around the upper part of the gown and forming a yoke effect is feather-stitched in blue, using three strands, or two may be used if one prefers a lighter line.

The lines enclosing the flower motifs are made of small French knots, also in color.

Work the eyelets for the draw-ribbon in white with one thread.

A Gown and Under-Bodice with a Touch of Color
