* _SAP Business Warehouse Developer_*

*Description:* Raytheon Company is an industry leader in defense and government electronics, space, information technology, technical services, and business and special mission aircraft. With headquarters in Waltham MA, Raytheon employs 80,000 people worldwide. Our vision is to be the most admired defense and aerospace systems supplier through world-class people and technology.

*Position Available:* _SAP Business Warehouse Developer_- We are seeking a self-motivated developer to play a key role in the growth and on-going development of Raytheon's Enterprise Data Warehouse utilizing the most current versions of a wide range of SAP products including SAP’s Enterprise Resource Planning (ECC6.0), Business Warehouse and Business Objects software suites. As part of an established team in Tucson, the successful candidate for this position will be involved in all phases of the development cycle. You will interface with customers as they identify and refine requirements. You will investigate and propose technical solutions that meet identified customer needs. You will participate with other team members in the design, development, testing, implementation and documentation of best practice Data Warehousing solutions. The successful candidate will exhibit a strong understanding of database technologies, have a proficiency in at least one programming language and demonstrate strong written and verbal communication skills. Knowledge of SAP technologies and SAP’s proprietary language, ABAP, are a plus, but Raytheon will provide all necessary SAP-specific training.

- Eligible to obtain a US security clearance.
- Bachelor's degree, or higher, or completing a degree by May 2010.

*Requirements:*  
- Desired Majors: Computer Science, Information Systems, Information Technology, or other related fields.
- Potential Work Locations:  
  - Tucson, AZ

Raytheon is an equal opportunity employer and considers qualified applicants for employment without regard to race, color, creed, religion, national origin, sex, sexual orientation, gender identity and expression, age, disability, or Vietnam era, or other eligible veteran status, or any other protected factor.
