Dear Students,

Please review the latest computer science projects from MindSumo. MindSumo partners with employers to create projects that you can complete to get work experience, win prizes, and be hired for jobs and internships. Questions can be directed to aaron@mindsumo.com

Create a data visualization to navigate educational standards - $2000 in prizes

How can we effectively crawl the web to find specific data? - $1000 in prizes

How can a framework improve the Internet of Things? - $1000 in prizes
