Interested in teaching kids about SCIENCE by exploding watermelons and doing other fun activities?

Check-out the STEM Diversity & Outreach Workshop!

Through the STEM Diversity and Outreach Workshop you can earn 3 units of academic credit and an engaged learning experience designation for helping develop and implement science and engineering outreach programs for local K-12 students!

Offered as **GWS 397S** in Fall 2016

Contact Jill Williams at JillMWilliams@email.arizona.edu for more information!
