Final Announcement – Application Deadline: December 16, 2015

U.S. Department of Homeland Security (DHS)
2016 HS-STEM Summer Internships

The U.S. Department of Homeland Security (DHS) Science and Technology Directorate Office of University Programs sponsors a 10-week summer internship program for students majoring in homeland security related science, technology, engineering and mathematics (HS-STEM) disciplines. The program provides students with quality research experiences at federal research facilities located across the country and allows students the opportunity to establish connections with DHS professionals. It is open to undergraduate and graduate students in a broad spectrum of HS-STEM disciplines and DHS mission-relevant Research Areas.

Undergraduate students receive a $6,000 stipend plus travel expenses.

Graduate students receive a $7,000 stipend plus travel expenses.

Areas of research: Engineering, computer science, mathematics, physics, chemistry, biological / life sciences, environmental science, emergency and incident management, social sciences, and more.

U.S. citizenship required

Application deadline: December 16, 2015, 11:59PM EST

How to Apply: Applications and supporting materials must be submitted at https://www.zintellect.com/Posting/Details/1468

Program Information: Detailed information about the internships can be found at http://www.orau.gov/dhseducation/internships/
