

QUIZ REVIEW!

Quiz Stuff

Use a full sheet of 8½x11" paper. (Half sheet? Half credit!)

To avoid a one-point deduction, put your last name and NetID in the far upper left hand corner of the paper, where a staple would hit it. (It helps with our paper handling!) Like this:

No need to write out questions. Number responses if you'd like, but that's not required. Keep answers short to save time.

The first question is worth one point, others ½ point; 4 points total, and ½ point of extra credit.

You'll have 3 minutes on this quiz.

Last name, UA NetID,
here

Quiz 7, October 4, 2013
3 minutes; 4 pts total

USE FULL 8½x11"
SHEET OF PAPER!

1. Draw and label the areas of the CSS box model. (1 point)
2. Given **margin: 5px 10px 15px 20px**, what is the bottom margin?
3. What effect does **font-size: 2em** have?
4. How many generic font families are there?
5. Describe the characteristics of the font that would be selected by this declaration: **font: "sans-serif"**
6. In **rgba(10, 20, 30, 0.4)** what does the **0.4** mean?
7. What is a value that can be specified for the **font-weight** property?

EC (½ point): What are the names of the generic font families? (You may abbreviate.)
