CSC 346 - Cloud Computing
CSC 346 - Cloud Computing

- People!

- Instructor: Mark Fischer - fischerm@arizona.edu

- TAs:
  - Harshita Narnoli - harshitanarnoli@arizona.edu
  - Yingjie Ma - ym1014@arizona.edu

- Places!
  - Monday, Wednesday, Friday - 8am to 9:50am - BIO West 301
  - Office Hours - TBD
CSC 346 - Cloud Computing

• Resources!

• Course Website: <lectura somewhere>

• Homework and Grades - D2L - https://d2l.arizona.edu/d2l/home/1186071

• Class Recordings - Panopto
  • Access through the D2L Course under UA Tools
CSC 346 - Cloud Computing

- Requirements:
  - CSC 120 or CSC 127B or CSC 227
  - A personal computer or access to the CS computer labs
  - No textbook
CSC 346 - Cloud Computing

• Grading:
  • Homeworks: 60%
  • Exams: 40%
    • Just three regular tests spaced out. One will be during the final time slot, but will not be comprehensive.

• *Please Please Please just turn something in by the due date.*
  • I can’t give you partial credit (and I will) if you don’t turn *something* in.
CSC 346 - Cloud Computing

• Exams will be in person in BIO West 301
  • DRC Accommodations
  • COVID Exceptions
    • Medical: Have DRC validate your issue and let me know
    • International:

Academic Integrity

• Computer Science Code of Conduct - https://www.cs.arizona.edu/code-conduct

• “We, the students and professionals of the UA Department of Computer Science, are committed to providing and maintaining a supportive community and a thriving educational environment. In our interactions with each other, we adhere to the following principles”

• Be Welcoming and Inclusive
• Honor Privacy and Confidentiality
• Continue to Improve Our Learning Environments
• Behave Respectfully and Courteously
• Demonstrate Intellectual Honesty
Academic Integrity

- It is OK to discuss problems with each other in general terms
  - “What was Mark talking about regarding topic X”
  - “What exactly do we have to turn in?”
- It is NOT OK to discuss solutions or share code
  - “How did you answer this week’s homework?”
  - “Can I see how your API connection code works?”
- Direct these types of questions to the TAs or Instructor
Academic Integrity

• Penalties

• Best Case:
  • Zero credit for the assignment / exam in question
  • Letter to the Dean of Students

• Can result in failure of the class

• Just don’t do it! It’s not worth it!
