

Assignment 1 -- Due Sunday, January 15 at 23:59:59

I look forward to meeting all of you on Wednesday, Jan 11 at 5:00pm in Gould-Simpson 906!

Our class web page, <https://www2.cs.arizona.edu/classes/cs372/spring23>, is still under construction but much of it is in place. You'll see that the first two slide sets are present. I'll have 4-up printed handouts of them for you on Wednesday.

I'd like you to take maybe ten minutes or so to take a survey that will help me and the TAs better serve both you as an individual and the class as a whole.

Here's the survey: <https://forms.gle/MUog5WZsTrmX23sG9>

I'm calling this survey "Assignment 1". It's worth 10 assignment points—about 1% of your final grade.

Don't let any of the questions about current knowledge scare you; I just want to see what you've worked with.

If you have any questions about the survey, mail to 372s23@cs.arizona.edu.

Thanks!
