

C SC 397a, Spring 2010  
Assignment 0  
Due: Friday, January 22, 23:59:59

For fifteen points e-mail me (whm) with answers to the following questions. Please include the text of the questions in your message. (Copy it from the PDF on the **Handouts** page of the class website, <http://www.cs.arizona.edu/classes/cs397a/spring10>)

What is your name?

What is your UA NetID?

What is your picture number? (See **Find Yourself** on the class website.) If not pictured, say so.

Do you have prior experience with C++? If so, tell me a sentence or two about it.

Why are you interested in learning C++?

In what semester did you take C SC 352?

Aside from 352, in what classes have you used C? Include any classes this semester that will be using C.

Have you had any extracurricular experience with C, such as using it in a job?

What is your preferred editor for writing C code?

How much experience with `gdb` do you have? Perhaps characterize your experience as one of these: (a) I've never used it. (b) I've used it a few times. (c) I've used it many times.

Have you used the Eclipse CDT to develop C or C++ code?

Extra credit (five points): Tell me a little about yourself. Some possibilities: where you're from, hobbies, current employment, post-graduation plans, got a blog?, etc.
