CSc 451, Spring 2003
Extra Credit Assignment 2
Due: Thursday, March 27, 1:50 p.m.

The purpose of this assignment is to encourage getting an early start with graphics in Icon. With that in mind, all you need to do to earn seven (7) points is to write an Icon program that uses seven different Icon graphics procedures. (Yes, `WOpen()` and `WDone()` count!)

Call the program `simple.icn` and use `451_x2` for a `turnin` tag:

```
% turnin 451_x2 simple.icn
```
