Rami
cMachine. Machinery for decor-
ticating and reducing the rhoe fiber or China grass;
better known by its Malay name, ramie; the Boeh-
maria nivea of the botanists. It is the material of
China-grass cloths. — Falconer; Hooker.

Shown in various stages of manufacture at the London
Exhibition of 1851. See Report of Group VIII., "Cen
tennial Exhibition (Phil.) Reports," 1876, pp. 4, 5.
