|---|-------|
| <b>History of the Jacquard Machine,</b> . . . . .   | 7     |
| <b>The Jacquard Machine—General Arrangement and Application,</b> . . . . .                              | 9     |
| <b>Illustration of the different parts of the Jacquard Machine—Method of Operation, etc.,</b> . . . . . | 11    |
| <b>The Jacquard Harness—The Comber-boards,</b> . . . . .  | 20    |
| <b>Tying-up of Jacquard Harness,</b> . . . . .  | 23    |
| I.—Straight-through Tie-up, . . . . .   | 23    |
| II.—Straight-through Tie-up for Repeated Effects, in one Repeat of the Design, . . . . .                | 29    |
| III.—Straight-through Tie-up of Jacquard Loom, having Front Harness attached, . . . . .                 | 31    |
| IV.—Centre Tie-up, . . . . .  | 33    |
| V.—Straight-through and Point Tie-ups Combined, . . . . .   | 35    |
| VI.—Straight-through Tie-up in Two Sections, . . . . .  | 48    |
| VII.—Tying-up a Jacquard Harness for Figuring Part of the Design with an Extra Warp, . . . . .          | 51    |
| VIII.—Straight-through Tie-up in Three Sections, . . . . .  | 53    |
| IX.—Point Tie-up in Three Sections, . . . . .   | 55    |
| X.—Combination Tie-up in Two Sections, . . . . .  | 56    |
| XI.—Straight-through Tie-up in Four Sections, . . . . .   | 57    |
| XII.—Tying-up of Jacquard Looms with Compound Harness attached, . . . . .                               | 58    |
| XIII.—Tying-up Jacquard Looms for Gauze Fabrics, . . . . .  | 64    |
| <b>Modifications of the Single Lift Jacquard Machine,</b> . . . . .                                     | 67    |
| I.—Double Lift Single Cylinder Jacquard Machine, . . . . .  | 67    |
| II.—Double Lift Double Cylinder Jacquard Machine, . . . . .   | 69    |
| III.—Substitution of Tail-cords for Hooks, . . . . .  | 71    |
| <b>Tying-up of Jacquard Harness for Two-ply Ingrain Carpet,</b> . . . . .                               | 72    |
| General Description of the Construction of the Fabric, . . . . .  | 72    |
| Straight-through Tie-up for Ingrain Carpet, . . . . .   | 74    |
| Point Tie-up for Ingrain Carpet, . . . . .  | 78    |

### APPENDIX.

|   |    |

| <b>Preparing and Stamping of Jacquard Cards,</b> . . . . .          | 85 |
| Dobby Card Punching Machines, . . . . .                             | 86 |
| Piano Card Stamping Machines, . . . . .                             | 86 |
| Stamping of Cards, . . . . .  | 91 |
| Repeating Jacquard Cards by the Positive Action Repeater, . . . . . | 92 |
| <b>Lacing of Jacquard Cards,</b> . . . . .                          | 97 |
| Lacing of Jacquard Cards by Hand, . . . . .                         | 97 |
| Lacing of Jacquard Cards by Machine, . . . . .                      | 98 |

TABLE OF CONTENTS.—CONTINUED.

| <b>PRACTICAL HINTS TO LEARNERS OF JACQUARD DESIGNING.</b>  |  | PAGE. |
|--|--|-------|
| <b>Squared Designing Paper for the different Textile Fabrics executed on the Jacquard Machine,</b> |  | 103   |
| Practical Use of the Heavy Square in Designing Paper,  |  | 105   |
| Selection of Designing Paper for Single Cloth,   |  | 105   |
| Selection of Designing Paper for Double Cloth,   |  | 106   |
| Selection of Designing Paper for Two-ply Ingrain Carpet,   |  | 106   |
| Selection of the Proper Brush for the different □ Designing Papers,                                |  | 107   |
| Colors used for Painting Textile Designs,  |  | 107   |
| Preservation of Textile Designs,   |  | 107   |
| <b>Sketching of Designs for Textile Fabrics to be executed on the Jacquard Machine,</b>            |  | 108   |
| Methods of Setting the Figures,  |  | 108   |
| Size of Sketch Required,   |  | 109   |
| Enlarging and Reducing Figures for Sketches,   |  | 110   |
| Transferring of the Sketch to the Squared Designing Paper,   |  | 112   |
| Outlining in Squares,  |  | 113   |
| Rules for Outlining in Squares Inside or Outside the Drawing Outline,                              |  | 114   |
