COTTON GINS & COTTON PRESSES

COMPLETE GINNING SYSTEMS.

MAIN OFFICE & FACTORY
COLUMBUS, GEORGIA.

Mar. 28, 1911.

R. F. Strickland & Co.,
Concord, Georgia.

Gentlemen:-

Subject:- Alteration to Outfit -

We have not had the pleasure of a reply to our letter of March 14th, and presume it would be best for us to send a man up there to get out the parts of the machinery which would be best to return to Columbus. Doubtless this will favor you, and we have arranged to send a man up within the next two or three days. In case this is not entirely according to your wish, will you be kind enough to let us know. We certainly trust that you will be well pleased with the changes after they have been made, and our experience with the perfected Air Blast machinery which you will get, leads us to this conclusion.

Yours very truly,

LUMMUS COTTON GIN CO.
