Compensation Pay Scale: $20/hr

How to Apply: Email your resume to molly_gaudreau@uhaul.com
            Molly Gaudreau, Corporate Recruiter/Internship Coordinator
            And apply online at www.uhauljobs.com.

Position Description: We are looking for an intern to assist in the daily modifications of all external websites, including but not limited to www.oxfordlife.com, www.cflic.com, and www.dallasgeneral.com. The intern will also assist in modifying code using HTML, C# and ASP.Net, and create stored procedures to pull information from a SQL 2005 Database. The intern will ensure that all design elements, templates, and finished solutions work within a variety of browser types, and offer input and assistance with new design ideas for the site.

Requirements:
- Working knowledge of C#, ASP.Net, SQL 2005, HTML and Stored Procedures
- Experience in email marketing
- Strong analytical capabilities
- Comfortable working in Visual Studio 2005 and SQL Server 2005
- Current student at an accredited University, preferably junior or senior
- Preferred majors: Computer Information Systems, Computer Engineering, Computer Science
- Strong work ethic with affinity for systems analysis
- Listening, creative thinking, problem solving skills, attention to detail

EOE. Drug-free Environment.
