Local Venture Company seeks Web Services Student Workers – Our Web IT Specialist Services team is seeking to fill summer and fall 2016 student jobs.

If you or someone you know might be interested in one of these positions, please contact John Arthur, Development Services Manager, at johnarthur@writeme.com or call 520-200-2121 (cell).

These positions are highly competitive, so you will want to act quickly. Our Summer job hours run anywhere from 10 - 35 hours weekly, depending on the student’s needs. The hours during the school year average 15 hours per week (not to exceed 25 hrs/week).

The Web IT Services team is part of the launch of a major website to open very soon. This team is responsible for everything from interacting with the various web hosts and support services for our developing operations. These sites are built using WordPress as a platform for content management and we have written most of the Plugins and utilize PHP, HTML, CSS, XML, MYSQL, JAVA and JQUERY. Students are expected to have an entrepreneurial spirit, fast learners and have a strong desire to figure things out.

Job Description: The primary role of the Web Service Support Student Worker is to code and to assist in supporting our web based solutions.

Skills Required.

● Have a good working knowledge of PHP, HTML, CSS, XML, MYSQL, JAVA and JQUERY.

● Assist Web Sys Admins and Development staff as needed.

● Strong organizational skills with the ability to multitask.

● Understand web site design and development concepts and best practices, with the ability to quickly learn.

● Strong written and verbal communication skills, including technical writing.

● Self-driven with professional approach in working with clients.

● Strong ability to gather and document issues and requirements and translate them into technical web requirements.

● Computer Science or related major.

● Experience developing websites and working in Linux environments is a plus.

● The willingness to be in the right place at the right time and jump aboard for the ride of your life!

Hours: Summer: Up to 35 hours per week   Fall: 15 hrs average (Up to 25 hours per week)

Start: After July 13, 2016
